Blessed is the man that  
endureth temptation: for  
when he is tried, he shall  
receive the crown of life,  
which the Lord hath  
promised to them that  
love him.

James 1:12

God has tremendously blessed the services of Cord of Three since we opened our doors in January of this year. It is our mission and passion to work toward making an impact on the God ordained institution of the family. We are able to accomplish this mission by serving individuals, children and adolescents, couples, parents, and extended family. Since January, God has used us to minister to 106 individuals or families through Christian clinical counseling. We have seen an expansion in our capacity to offer services by adding three additional part-time therapists to our staff: Tracy, JoAnne, and Julie.

I want to personally thank those of you who are praying for our services. This is our most valuable resource. Please continue to pray for Cord of Three and these new staff members. I would also like to thank those of you who are supporting these services by making a financial contribution. It is our prayer to continue to grow as an agency, trusting God to provide, and ministering to more families who are coping with emotional and spiritual brokenness. Please know that Cord of Three is truly blessed by a community of people like yourselves who have invested, not just in the families and individuals we serve, but in future generations who will be impacted for eternity.

I truly feel that this is one of the most critical services we can offer hurting children and families," Brian Hawkins, Administrator of the Baxley Campus.

## 2007 Program Development

**Becoming A Man!** We are working to establish a program for boys ages 13 to 17 and their fathers which will focus on building Christian character in young men and supporting them as they navigate the transition from childhood to becoming a man. If you are interested in knowing more, please contact our office at 912-282-0992.

**The Courage to Parent.** Parenting is one of the toughest jobs you will ever have. As a parent, you are faced with life-changing decisions on a daily basis which will impact the future development of generations to come. Today's families are faced with problems like they have never experienced before. That is why we feel that it is vitally important to empower parents to stand firm in the role God has for them.
